# Youth Center

Looking for before and after school care for your child with quality staff and engaging activities? Tinker School Age Program, accredited by the Council On Accreditation for After-school Programs, is offering Before and After School Care to children in grades kindergarten through 5th grade. The program offers activities such as photography club, fine arts, enriched science and Power Hour, and a homework incentive program. The Program provides transportation to Parkview, Barnes, Schwartz, Cleveland Bailey, Soldier Creek, and Midwest City Elementary Schools. If your child attends any of these schools and you work or live on Tinker AFB have base privileges, you are eligible!

To register your child, go to the Tinker Youth Center for a registration packet. Required documents include: Sponsor's most recent LES, Sponsor's most recent LES or pay-stub or school letter if applicable, and up to date immunizations records. Call 734.7866 for more information.

The Tinker School Age Program follows Mid Del School District's calendar and provides all day care on school vacation days and teacher work days including federal holidays.

## Membership Program (Ages 10-18)

• Spring Break | March 19-23 | 2 PM

We have activities that will get the youth pumped with daily challenges that will stimulate, motivate, inspire, encourage, boost, and keep them on their toes!

• Kick Butts Day | March 21

Activities to include Caps in the Fence - Youth will make a message in the fence by the Youth Center; Make Posters and a Graffiti Wall; Play Tobacco Hill Jeopardy

## MILITARY SPOUSE EMPLOYMENT OPPORTUNITIES

Deployments, TDF's, PCS's and childcare concerns are just some of the challenges facing military spouses when it comes to finding and maintaining employment. It is estimated that military spouses have an unemployment rate of 18%, compared to the national average of 4.1%, reported in December of 2017. Several programs have been developed to help military spouses with employment challenges.

1. The Spouse Education and Career Opportunities (mySECO) program provides education and career guidance to military spouses worldwide. The SECO program offers comprehensive resources and tools ranging from initial career exploration to education, training and licensing to employment readiness to career connections. Military spouses may register for assistance at [myseco.militaryspousecare.com/Portal](http://myseco.militaryspousecare.com/Portal) or speak to a certified SECO Career Counselor at 1.800.342.9647.

2. Military Spouse Employment Partnership (MSEP) provides military spouses access to employment opportunities available with MSEP corporate sponsors. This diverse and continually expanding network is in touch with the particular needs of military spouses in the workplace and is committed to assisting with the launch of successful careers. MSEP's partners represent a broad range of industries and trades. With opportunities in finance, healthcare, retail, staffing, technology and other areas this provides a broad spectrum of career opportunities for the military spouse. More information or assistance may be found at [msepjobs.com](http://msepjobs.com) or call 1.800.342.9647.

3. The US Chamber Foundation has oversight of the Hiring Our Heroes Military Spouse Program, which provides comprehensive services to military spouses across the country. Virtual job fairs are offered for the military spouse to allow exposure with various corporate sponsors. Registration or additional information can be found at [uschamberfoundation.org/hiring-our-heroes](http://uschamberfoundation.org/hiring-our-heroes).

4. Non-Appropriated Funds (NAF) career opportunities can be found at [nafjobs.org](http://nafjobs.org), all applications are accepted electronically.

# Education

Enrollment is underway on Tinker AFB. The following six institutions offer recreational, evening, and weekend courses on Tinker, as well as some online courses:

- Rose State College | 739.5774 | rose.edu
- Park University | 739.7275 | park.edu
- Oklahoma City University | 739.2306 | okcu.edu
- The University of Oklahoma | 739.7365 | grom.ok.edu
- Webster University | 739.3518 | webster.edu
- OAC Aviation Education Alliance | 733.2210 | aviation.ae.edu

Contact the on-base colleges and universities today! They can assist with program information, the application process, enrolling, obtaining a degree plan, financial aid, etc. Military tuition assistance (TA) and civilian tuition assistance (CTAP) are available to help defray the cost of tuition. The Education Services Center, located in Hqg, 2015E, offers two monthly briefings:

- College 101: March 13 | 8:30 AM - 10:30 AM  
The briefing is for those that are new to college. The primary focus is to understand and complete the college admissions process. Other aspects include exploring career/personal goals, discussing institutional selection, explaining funding considerations, and financial aid.

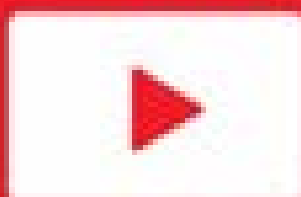

- Higher Education Track Briefing: March 14 | 8 AM - 4 PM  
The briefing assists individuals retiring or separating from the military in developing a plan to attend/return to college.

Should you have questions, please do not hesitate to contact the Education Services Center at 739-7408 for more information. A counselor will be glad to assist you in your education journey.

# Curriculum Development

The world is more digital now than ever! It is fair to say that if you are not computer savvy you could easily fall behind in today's high-tech society. Everything can be done by computer, whether it be inputting time at work, creating spreadsheets for an office project, submitting assignments for school, or emailing your supervisor. In order to be successful in the new age, you need to know how to operate a computer system efficiently and enrolling into one of our Microsoft Office classes is the first step! Our classes will help improve your technical skills while learning different ways to make your life easier while on the job.

The FSS Curriculum Development and Delivery office provides Microsoft Word, Excel, PowerPoint, Access, Project, and Outlook classes monthly at no cost to you! Our Word course will help you create, edit, and polish documents; in Excel you will learn how to organize numeric or text data in spreadsheets and the program recognizes patterns that will auto complete, analyze, and summarize data for you; in Powerpoint you will learn how to create and design impactful presentations that will enhance your next briefing; in Access you will learn how to create databases that can be easily shared with your colleagues; MS Project will help you schedule and manage projects from start to finish; MS Outlook is guaranteed to open your eyes to the program's capabilities.

Our mission is to create, develop, and deliver instruction that promotes, supports, and enhances Team Tinker. Better yourself academically and professionally with these courses. If you're interested in one of our Microsoft Office classes please contact your Training Manager to sign up!

For more information, please contact us at 736.4317.

Pay Off Debt Faster

Consolidate to One Monthly Payment

Make life simpler today  
at [TinkerFCU.org](http://TinkerFCU.org)

We get it.™

Federally insured by NCUA

The balance transfer introductory rate of 4.99% Annual Percentage Rate (APR) is applicable for 12 months from the day each qualifying balance transfer is applied to your account. After the 12-month introductory period, the rate will adjust to the current variable VISA Platinum APR which is set by your credit rating at the time of account opening and may change at any time. The APR will vary based on movements in the Prime Rate, published in The Wall Street Journal on the 25th calendar day prior to the beginning of the calendar quarter. The new rate will not become effective until after the end of the current billing cycle in which movement of the Prime Rate dictates a change to the APR currently in effect. As of January 1, 2018, the APR range for this product is 9.75% to 15.75%. The maximum APR that can apply is 18.00%. Transfers must be posted to the account by February 28, 2018, in order to qualify for the introductory rate. Balance transfers are applied to the account as a cash advance (no fee imposed for cash advances), subject to the terms of the VISA Platinum Cardholder Agreement and Disclosure Statement. Interest will start accruing on the balance transfer transaction date. To take advantage of this offer, Tinker Federal Credit Union (TFCU) membership is required, which involves opening an initial share (savings) account with a \$5 deposit, and qualifying for a VISA Platinum card account. Visit any TFCU branch or go to [TinkerFCU.org](http://TinkerFCU.org) for more details.
