How do I order a meal?

Choose item number from Meal menu and a supplemental side. Call 734-3795. Please give 2 hours notice for meals 25 or more.

What's the difference in prices?

Flight meals are for those on flying orders and does not include the surcharge. Large meals are \$ 4.25

Ground support meals are for those not on flying status and include the surcharge. Large meals are \$5.60

Do you have healthy choice options?

Yes! We know our customers want to live a healthy lifestyle and say "fit for the fight.", so we've partnered with the HAWC and Flight Medicine to label our healthy heart items with this symbol:  These meals have whole wheat bread and light mayo.

Who do I call for additional questions or comments?

We welcome and encourage customers to provide us feedback. Please call us at 734-3155 and let us know what we can do to improve your Air force dining facility experience!
