PROGRAMMING

DEPT. OF THE AIR FORCE SCHOOL LIAISON PROGRAM

SLP OVERSIGHT

MIC3 State Lead	NO
DoD STARBASE Federal Program Manager	NO
DoD STEM Lead	NO

MFLC PROGRAM

Identified Trends

- Communication
- Academic/Educational
- Social Skills
- Military Life
- Emotional Management Issues

School Embedded MFLCs	3
Vacancies	0
Not Renewed OY3	0

CHALLENGES

- Military Student Identifier - OK does not have a universal MSI data capture, leading to a lack of accountability and appropriate data capture
- Access and availability of special education services
- Staffing shortages and lack of qualified educators
- Perception of education due to state education ranking

PROGRAM PORTFOLIO

- Education Community Partnerships
- Local School and Homeschool Navigation
- Special Education Navigation
- Deployment Support
- College, Career & Military Readiness
- Grants & Scholarships
- Professional Development
- Transition Support
- Legislation
- Emergency Response and Preparedness
- Interstate Compact on Educational Opportunities for Military Children (MIC3)
